

**Professional insurance for
smarter professionals**

Coverage You Can Count On

The importance of good malpractice insurance can't be overstated. Even the most careful professionals may someday find themselves on the receiving end of a lawsuit, and the resulting costs can be devastating – both professionally and personally.

That's why, for businesses in the consulting and law fields, there's no better program market than **JLT Facilities**.™

At JLT, we've developed a unique line of Professional Liability insurance products that deliver the security, stability and service you need... all at a highly competitive price.

JLT Facilities offers true protection for professionals.

We seek out only those insurance carriers that combine a proven track record with a strong reputation for first class service. Once qualified, these carriers then provide us with the ability to underwrite, price and issue policies of professional liability as program administrators – giving you unbeatable access to some of the industry's most beneficial offerings.
